Sub: CRICKET TOUR TO ENGLAND

Dear Parents,

Greetings from Turf Sports Management

We have made an indelible mark in the field of sports all over the country by organizing various sports events at the school, state, national & international levels. The top class facilities offered to the young sportsmen at the very grass root level not only helps in nurturing the aspirations of these budding talents but also helps them to imbibe the myriad benefits derived by participating in them.

In this zealous pursuit of promoting sports and latent talent, we want to continue the same by sending players abroad to participate in tournaments & events organized on foreign soil. These talented bunch of future champions will not only gain invaluable international exposure but it's also a wonderful opportunity to hone their latent talent by playing, interacting & watching their counterparts play in the matches. These tours also help in tremendously boosting the Childs self-esteem & enhance their personality.

Encouraged by the tremendous success of the previous tours, we are glad to announce the 12 Day Premier Cricket Tour to England from the 11th June to the 24th June 2009.
